Promotional Merchandise and Materials:

Performers may sell promotional material such as CDs, shirts, etc. direct to patrons without paying commission to the festival. Additionally, performers may leave some of these items at the Festival Shop to be sold without commission, unless they would like to donate 10% of sales from Festival to support a Fantasy of the Lakes Festival. All proceeds and unsold material can be collected at the close of the festival.

Stages:

The festival currently has one fixed stage area. 1 Stage Shelter with electric, 2nd Stage is being considered no electric. There are several other designated performing areas for wandering performances. Please contact us with any additional requirements you may have.

Costumes:

The festival covers a modestly broad Fantasy period. To provide an old - world feel, we require that all Performers wear some type of period clothing. Costumes may be Fantasy, Celtic, Medieval, Renaissance, Swedish or Historically Fanciful within reason. Please include photos with application. Cell phones and modern watches are allowed but **MUST** be

Fantasy of the Lakes Festival

concealed from patrons' view.

Weapons:

The Festival **DOES** allow bladed weapons/long bows of historical nature on-site for appearance only. Vendors may wear a sword or dagger (or carry an axe) but the blade must be sheathed completely, with no part of the blade showing, and secured in the sheath, scabbard, or other covering with a plastic zip tie (peace bound or peace tied), and at no time may these weapons be drawn/removed from the scabbard, sheath, or covering. Nonfunctional firearms (e.g. unloaded) are permitted. Bows must be unstrung, and any arrows must be peace bound/tied within a quiver.

This year the city has provided permission for sales of **non-sharpened**, bladed weapons, as long as the blade is peace tied into a scabbard or sheath upon sale to a customer - **NO EXCEPTIONS**. If the weapon will not be purchased with a scabbard or sheath, it must be wrapped and tied into the wrappings. Please help us to keep this privilege by abiding by the rules of the city and ensuring by-standing patrons are safe from others handling weapons for sale.

Weapons may be used as props for demonstrations.

Smoking and Electronic Devices:

The smoking of cigarettes and cigars by Performers must be in the designated break area only. Pipe smoking is allowed if the pipe has a period appearance. All other smoking in front of our patrons is **NOT** acceptable.

Cell phones etc. are allowed, however they **must be concealed** from patron's view. **Talking on cell phones in front of patrons is not acceptable.** We recommend that all cell phones be set to silent mode and used outside of patron's view.

Pet Policy:

While we may have animals at The Festival for assorted reasons, we **DO** allow dogs but must be registered for event with leash on The Festival grounds. Responsible for clean-up after your pet or will ask to remove the dog.

Garbage:

Garbage containers will be at convenient locations around the site. **ALL** performers are required to clean up after themselves during and immediately after the event, as the containers are emptied that night. Failure to do so will be taken into consideration during future applications.
